

Public Transit is Changing in Senneville

Simplified routes and a connection to the REM
For more informations: [Bus Network Redesign](#)

Starting on May 18, here's what changes for you

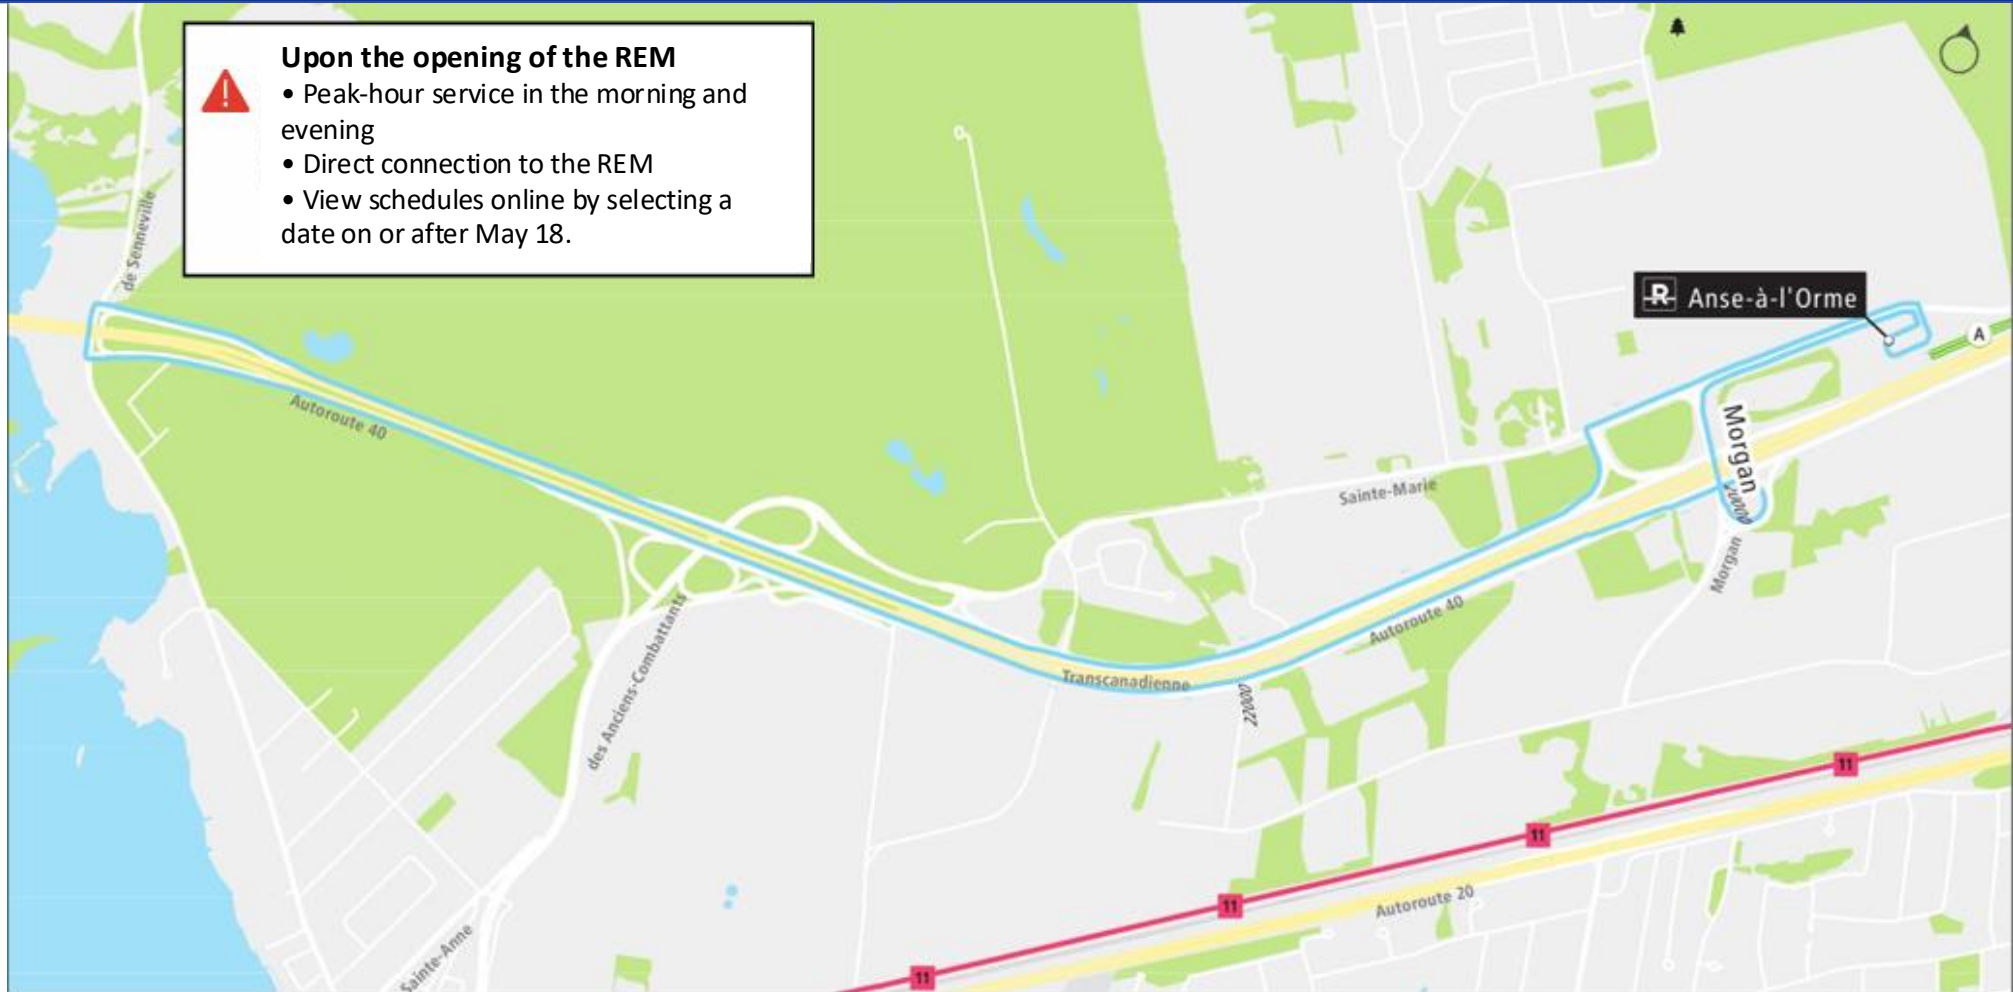

- **New bus line 222 – Senneville**
→ Service to employment areas and the REM
- Since January:
 - **Enhanced shared taxi service on route 281**
→ More flexible
→ REM access starting May 18
 - **Modified line 212 – Sainte-Anne**
→ REM access

Line 222 Senneville : New Bus Line

 **Upon the opening of the REM**

- Peak-hour service in the morning and evening
- Direct connection to the REM
- View schedules online by selecting a date on or after May 18.

Shared Taxi: How Does it Work?

1. Book your ride

Online or by phone

2. Travel

Between your designated zone and a terminal stop*

3. Connect

To the REM or the bus

Good to know

- Reservation required at least 30 minutes in advance
- Service available 7 days a week
- Same fare as the bus and the REM

**Identified in blue on the map on the following page.*
